

## Digital Learning: Week 1 March 16-20, 2020

\*Students will be held accountable for the daily completion of **one activity from each academic subject. Place a ✓ on the line next to each task once your child has completed the activity.** If you choose, feel free to complete all the activities for each day! Please keep this paper and any other work associated with it as it will be turned into your child’s teacher when school resumes. *Please note that the completion of these assignments will be taken for report card.*

\*Information on how parents can login in their child’s seesaw account will come to each parent. If you do not receive an email from Mrs. Syed by Sunday March 15th, please email Mrs. Syed requesting your child’s seesaw code. [syedn@fultonschools.org](mailto:syedn@fultonschools.org)
